The catalogue prices above include environmental fees for the vehicle and its component streams. For Luxembourg, more info on www.volvocars.com/lu/tarifrecyclage.
Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.
Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.
(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

FACTORY WARRANTY
ON YOUR VOLVO
3 YEARS OR 100.000 KM
(whichever comes first)

FACTORY WARRANTY
ON HIGH VOLTAGE BATTERY*
8 YEARS OR 160.000 KM
(whichever comes first)

* The batteries undergo normal wear depending on age and use. If the battery capacity falls below 70% of the original state within 8 years from the date of delivery or 160.000 km (whichever is reached first), the battery will be replaced under guarantee.

DARK
DESIGN

SAFETY
Extensive sensor set: system consisting of a 360° safety screen around the car to anticipate hazards and prevent collisions. It consists of: - 5 radars - 2 cameras - 8 ultrasonic sensors
Driver Alert Control (DAC): system that detects and warns of tiredness
Connected Safety technology including Slippery Road Alert and Hazard Light Alert
Automatic braking after a collision
Automatic emergency steering
Indirect Tyre Pressure Monitoring System (iTPMS)
Ultra-resistant structure of vehicle interior and roof in boron steel
Collapsible steering column
Automatic unlocking after a collision
Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear
Front airbags including driver's knee airbag, SIPS® side airbags and inflatable curtains
WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats
Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back
Emergency brake lights
Power-operated child safety lock in rear doors
Isofix anchorages for the front passenger seat and the outer positions of the rear seat
Front passenger airbag cut-off switch
Acoustic Vehicle Alerting System (AVAS) at slow speed
DRIVER ASSISTANCE
Rear Park Assist Camera
Front and rear Park Assist with autobrake function
Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds
Road Sign Information (RSI) : display of road sign information
Intelligent Speed Assist (ISA)
Advanced safety alert and intervention system, including: - Blind Spot Information System with steering assistance (BLIS) - Door opening alert when cars, pedestrians, cyclists scooters or motorcycles approach from behind - Rear Collision Warning and Mitigation with rear hazard warning lights activation, and automatic emergency braking if the car is at a standstill - Rear Cross Traffic Alert: detection of vehicles coming from the side when reversing - Prepared Front Safety Belts
Door opening alert when cars, pedestrians, cyclists scooters or motorcycles approach from behind
Intersection Autobrake function that can intervene if there is a risk of collision. When the driver is about to make a left turn in an intersection with oncoming traffic, the car can brake automatically to help avoid an impact. This function can also support in straight crossings with traffic coming from the sides
Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)
Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision
Vehicle, Cyclist, Pedestrian and Large Animals Detection: thanks to the sensing technology, the car can detect moving as well as stationary cars, trucks and buses, but also motorcycles, scooters, pedestrians, cyclists and large animals
Pedestrian, Cyclist and Scooter Steering Avoidance: on a rural road without pavement and with clearly visible road marks, when you catch up a cyclist, pedestrian or a scooter travelling in the same direction as you but haven't spotted it immediatly, this new function can help you avoid a collision. If the car senses a collision is likely to happen, it can actively take over the steering and steer away as long as you don't cross the lane markings. After having passed the road user with a sufficient safety distance, the car regains its position on the road
Ready to Drive notification: function that informs the driver via a sound and a visual notification if the car is still standing still even though the vehicle in front has moved a certain distance or exceeded a certain speed
Drive Modes: 2 modes (Standard/Off-road) for P5 en P5 Long Range
Drive Modes: 3 modes (Standard/Off-road/Performance) for P8 Performance AWD
MULTIMEDIA & CONNECTIVITY
12,3" driver information display with 3 modes : Surround, Maps and Calm
11.2" central touchscreen to control most of the functions
Google infotainment system with : - Google Maps: navigation and public charging stations locator - Google AI Gemini Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices - Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®,Waze®, Amazon Prime Video® and YouTube®)
Connect Plus: 4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription is possible or you can share your data using tethering on your smartphone
Remote functions via the Volvo Cars app on your smartphone, such as: - launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure - (un)lock your car - localize your car - access to the Driving Journal - plan and check the status of your electric charging session
Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®
OTA: Over The Air updates for the car
High Performance audio system with 8 speakers (1 full-range and 1 air woofer beneath the windscreen, 2 tweeters in front and 4 mid-range front and rear) and High Performance 250 W amplifier

STANDARD EQUIPMENT EC40 CORE

DAB+ (Digital Audio Broadcasting)
Wireless charging for smartphone in the front storage compartment (electromagnetic induction technology)
4 USB-C connections 18W : 2 in the central console and 2 at the rear of the tunnel console
Controls integrated into the steering wheel for driver display, Adaptive Cruise Control, audio, telephone, navigation system and voice commands
Integrated “SOS” button for assistance in life-threatening emergencies
Integrated “On Call” button for roadside assistance
Volvo Assistance	5 years subscription included
INTERIOR
Power-operated tailgate
Keyless Entry: passive (un)locking, hands-free tailgate opening/closing (foot movement under the rear bumper) and lighting in the door handles
Convenient Entry and Start that among other things eliminates the need of a start button. When the driver is seated, the car starts as he presses the brake pedal and engages Drive or Reverse
Welcome lighting when the driver is approaching the car
One Pedal Drive: possibility to use only one pedal to accelerate or brake. Just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal
Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions
Immobiliser
One remote control and one “Care Key” which allows you to set a lower maximal speed (<180 km/h)
Tyre repair kit in the Frunk
CLIMATE CONTROL
Two-zone electronic automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter
IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter
Interior climate preconditioning (cabin cooling or heating)
Front wipers blades with integrated washers (“Aquablades”)
Rain sensor with adjustable sensitivity level
VERSATILITY
Frunk: 31 liter front load compartment
Very spacious storage bins in front doors
Removable litter bin with lid in the central console
Folding hook in the glove compartment lid to hang small bags
Flat load floor with bench seat back folded down
Storage space beneath the luggage compartment floor
Rigid, detachable luggage cover, that can be stored beneath the luggage compartment floor
Storage pockets in backrest of front seats
Four shopping bag hooks and four folding load retainer eyelets in luggage compartment
INTERIOR
Fixed panoramic sunroof with IR coating that minimises glare and gives effective UV protection
Textile City Canvas upholstery
Comfort fronts seats with manual adjustable height and length
Fronts seats with manual seat cushion extension (except with standard textile City Canvas interior R780)
Rear seats with central armrest with cup holder and load hatch (except with standard textile City Canvas interior R780)
Driver seat with adjustable cushion incline
Driver seat with power-operated four-way lumbar support
Rear seats with folding back in two parts (60/40)
Charcoal central console at front with armrest, large storage compartment and two cup holders
Matt black finish on the front air vents with glossy black frame
Charcoal Origin inlays in the dashboard and the front doors
Interior illumination Medium (for standard textile City Canvas R780 interiors) with: - vanity mirrors front lighting - reading lights front and rear - ambiant light at front and rear - floor lights at front - load compartment lighting - glove box lighting
Interior illumination High (except with standard textile City Canvas R780 interiors) with on top of Medium: - inlays lighting - tunnel front and rear lighting - sidestep light front lighting - door pocket front lighting - in door handle lighting - working light tailgate
Multifunction folding load floor with shopping bag hook
Nylon safety net behind the front seats
Black headlining
Inner rear-view mirror with automatic dimming
Black simili-leather steering wheel
Black simili-leather gear lever knob with glossy black inlay
Textile floor mats at front and rear in Charcoal
Load sill protection
EXTERIOR
Matrix-design LED headlights with : - Active High Beam that allows the driver to stay on high beam all the time - integrated cornering lights illuminate to facilitate manoeuvring in the dark - welcome or farewell light sequences
Full LED rear lights with welcome or farewell light sequences
19” 5 spoke black/diamond cut wheels
Dynamic chassis
16A 3-phase charging cable, Mode 3, with Mennekes socket (for charging point), length 6 m
11 kW onboard charger (AC-DC converter)
Wheel arches and lower bodywork parts in matt black plastic
Aerodynamic spoilers at the rear of the roof and at the tailgate
Power retractable heated outer rear-view mirrors with integrated LED indicator. With automatic dimming
Rear-view mirror caps in contrasting Solid Black (in Onyx Black with Onyx Black exterior colour)

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 2 years without any worries when your Volvo manufacturer's warranty expires after 3 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS
And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE
The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS
And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

		List price € excl. VAT	List price € incl. VAT BE	List price € incl. VAT LU	EC40

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, such as consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The recommended prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for Grand Duchy of Luxembourg). Recommended prices for winter wheel kits (composed of 4 complete winter wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

The availability of the features and services listed in this price list is not guaranteed at the time you take delivery of your EC40. Any missing feature or service will be activated remotely Over-the-Air.

Environmental contribution included.

This offer is binding on Volvo Car Belgium NV and/or its affiliated companies only to the extent that the Standard General Terms and Conditions and the relevant Commercial Conditions are fully applicable, and the applicability of your general terms and conditions or any other terms is entirely excluded.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
R.P.: Florent Andrieu - Registered address/head office: Volvo Car Belgium nv, Avenue John Kennedy 25, B-9000 Ghent - Place of business: Volvo Car Belux - VAT no.: BE 0420.383.548
