The catalogue prices above include environmental fees for the vehicle and its component streams. For Luxembourg, more info on www.volvocars.com/lu/tarifrecyclage. **Vehicles destined for EEA.** The models listed above are destined for the European Economic Area ("EEA") market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

**FACTORY WARRANTY
ON YOUR VOLVO
3 YEARS OR 100.000 KM
(whichever comes first)**

**FACTORY WARRANTY
ON HIGH VOLTAGE BATTERY*
8 YEARS OR 160.000 KM
(whichever comes first)**

* The batteries undergo normal wear depending on age and use. If the battery capacity falls below 70% of the original state within 8 years from the date of delivery or 160.000 km (whichever is reached first), the battery will be replaced under guarantee.

SAFETY

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Understeer Control Logic, Advanced Stability Control, Roll Stability Control, Driver Steering Recommendation, Dynamic Torque Vectoring, Trailer Stability Assist (only with the tow bar) and Hill Descent Control | Traction Control (TC) including Corner Traction Control with Torque Vectoring | Spin Control including Engine Drag Control

Advanced Driver Assist System (ADAS) sensor platform

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians (active up to a speed difference of 50 km/h, day and night), including active braking assistance

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Automatic unlocking after a collision

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Front airbags including driver's knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Power-operated child safety lock in rear doors

Isifix anchorages for the front passenger seat and the outer positions of the rear seat

Front passenger airbag cut-off switch

Acoustic Vehicle Alerting System (AVAS) at slow speed

DRIVER ASSISTANCE

Rear Park Assist Camera

Rear and Front Park Assist

Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds

Intelligent Speed Assist (ISA)

Road Sign Information (RSI) : display of road sign information

Ready to Drive notification: function that informs the driver via a sound and a visual notification if the car is still standing still even though the vehicle in front has moved a certain distance or exceeded a certain speed

Drive Modes: 2 modes (Standard/Off-road) for Single Motor and Single Motor Extended Range

Drive Modes: 3 modes (Standard/Off-road/Performance) for Twin Motor Performance

MULTIMEDIA & CONNECTIVITY

New generation 12,3" driver information display with two new display modes : Calm and Navi

9" central touchscreen to control most of the functions

High Performance audio system with 8 speakers (1 full-range and 1 air woofer beneath the windscreen, 2 tweeters in front and 4 mid-range front and rear) and High Performance 250 W amplifier

Wireless charging for smartphone in the front storage compartment (electromagnetic induction technology)

Google infotainment system with :

- Google Maps: navigation and public charging stations locator

- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices

- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone

Remote functions via the Volvo Cars app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure

- (un)lock your car

- localize your car

- access to the Driving Journal

- plan and check the status of your electric charging session

Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

DAB+ (Digital Audio Broadcasting)

2 USB-C connections at the front of the central console and two at the back

Controls integrated into steering wheel for driver display, cruise control, audio, phone, navigation system and voice commands

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 3 years subscription included

DARK
DESIGN

STANDARD EQUIPMENT EC40 CORE

PERSONAL SAFETY AND CONVENIENCE

Convenient Entry and Start that among other things eliminates the need of a start button. When the driver is seated, the car starts as he presses the brake pedal and engages Drive or Reverse

Welcome lighting when the driver is approaching the car

One Pedal Drive: possibility to use only one pedal to accelerate or brake. Just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

Immobiliser

One remote control and one "Care Key" which allows you to set a lower maximal speed (<180 km/h)

Tyre repair kit in the Frunk

CLIMATE CONTROL

Fixed panoramic sunroof with IR coating that minimises glare and gives effective UV protection

Two-zone electronic automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter

IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter

Interior climate preconditioning (cabin cooling or heating)

Front wipers blades with integrated washers ("Aquablades")

Rain sensor with adjustable sensitivity level

VERSATILITY

Frunk: 31 liter front load compartment

Very spacious storage bins in front doors

Removable litter bin with lid in the central console

Folding hook in the glove compartment lid to hang small bags

Flat load floor with bench seat back folded down

Storage space beneath the luggage compartment floor

Rigid, detachable luggage cover, that can be stored beneath the luggage compartment floor

Storage pockets in backrest of front seats

Four shopping bag hooks and four folding load retainer eyelets in luggage compartment

INTERIOR

Textile City Canvas upholstery

Comfort fronts seats with manual adjustable height and length

Fronts seats with manual seat cushion extension (except with standard textile City Canvas interior)

Rear seats with central armrest with cup holder and load hatch (except with standard textile City Canvas interior)

Driver seat with adjustable cushion incline

Driver seat with power-operated four-way lumbar support

Rear seats with folding back in two parts (60/40)

Charcoal central console at front with armrest, large storage compartment and two cup holders

Black finish on the central console and centre display trim and the front air vents

Charcoal Origin inlays in the dashboard and the front doors

Interior lighting Plus, including vanity mirrors with light at front, front and rear reading lights, dimmed lighting at front and floor lights at front

Black headlining

Inner rear-view mirror with automatic dimming

Black simili-leather steering wheel

Black simili-leather gear lever knob with glossy black inlay

Textile floor mats at front and rear in Charcoal

Load sill protection

EXTERIOR

LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and Volvo Safety Lights

Full LED rear lamps with lighting welcome sequence

19" 5 spoke black/diamond cut alloy wheels

Dynamic chassis

16A 3-phase charging cable, Mode 3, with Mennekes socket (for charging point), length 6 m

11 kW onboard charger (AC-DC converter)

Wheel arches and lower bodywork parts in matt black plastic

Aerodynamic spoilers at the rear of the roof and at the tailgate

Power retractable heated outer rear-view mirrors with integrated LED indicator. With automatic dimming

Rear-view mirror caps in contrasting Solid Black (in Onyx Black with Onyx Black Metallic exterior colour)

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 2 years without any worries when your Volvo manufacturer's warranty expires after 3 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, such as consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The recommended prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for Grand Duchy of Luxembourg). Recommended prices for winter wheel kits (composed of 4 complete winter wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

The availability of the features and services listed in this price list is not guaranteed at the time you take delivery of your EC40. Any missing feature or service will be activated remotely Over-the-Air.

Environmental contribution included.

This offer is binding on Volvo Car Belgium NV and/or its affiliated companies only to the extent that the Standard General Terms and Conditions and the relevant Commercial Conditions are fully applicable, and the applicability of your general terms and conditions or any other terms is entirely excluded.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
