The catalogue prices above include environmental fees for the vehicle and its component streams. For Luxembourg, more info on www.volvocars.com/lu/tarifrecyclage.
Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.
Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.
(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

FACTORY WARRANTY ON YOUR VOLVO 3 YEARS OR 100.000 KM (whichever comes first)

FACTORY WARRANTY ON HIGH VOLTAGE BATTERY* 8 YEARS OR 160.000 KM (whichever comes first)

* The batteries undergo normal wear depending on age and use. If the battery capacity falls below 70% of the original state within 8 years from the date of delivery or 160.000 km (whichever is reached first), the battery will be replaced under guarantee.

DARK
DESIGN

SAFETY
Extensive sensor set: system consisting of a 360° safety screen around the car to anticipate hazards within and beyond human vision and prevent collisions. It consists of: - 5 radars - 5 cameras - 12 ultrasonic sensors
Driver understanding system: 2 camera detecting when the driver's attention is no longer focused on the road. It alert the driver or intervene by braking and steering for a safe outcome when needed. If the driver is no longer responsive due to sudden sickness or unconsciousness, the car can automatically brake to standstill within the lane, activate the hazard lights and call for emergency.
Occupant sensing system: roof-mounted interior radars helping the driver to avoid leaving in the cabin loved ones behind in potential danger. The car will alert you if it looks like you're accidentaly locking a sleeping child or snoozing dog in the car, while the in-car climate system (if enough battery) can also potentially help minimize the risk of hypothermia and heatstroke.
Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Advanced Stability Control, Trailer Stability Assist (combined with the tow bar) and Hill Descent Control, Traction Control (TC), Spin Control
Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)
Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision
Driver Alert Control (DAC): system that detects and warns of tiredness
Connected Safety technology including Slippery Road Alert and Hazard Light Alert
Automatic braking after a collision
Automatic unlocking after a crash
Tyre Pressure Monitoring System (iTPMS)
Ultra-resistant structure of vehicle interior and roof
Collapsible steering column in a frontal crash
Height-adjustable front safety belts and with pre-tensioners and load limiters
Prepared front safety belts when the car senses a situation of risk for an accident
Run-off Road Mitigation: the car monitors lane markings and road edges with steering correction
Frontal airbags and SIPS® side airbags
Far side airbags inside of the front seats between hte occupant and the central console
Inflatable curtains airbags covering all seat rows
WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats
Emergency brake lights
2 Isofix anchorages for the outer positions of the 2nd row
Interior radar to detect if there is a person sitting in any of the seats (instead of a small bag for example), used for the belt reminder system
Power-operated child safety lock on rear doors
Front passenger airbag cut-off switch

STANDARD EQUIPMENT CORE

DRIVER ASSISTANCE
Adaptive Cruise Control
Intelligent Speed Assist
Driver Awareness: advanced safety alert and intervention system: - BLIS: Blind Spot Information System with steering assistance - door opening alert when cars, cyclists or motorcycles approach from behind - Rear Collision Warning with activation of warning lights, pre-tension of safety belts and full auto-braking - Cross Traffic Alert: detection up to 30m of vehicles, cyclists or motorcycles coming from the side when reversing, with automatic emergency braking
Rear Park Assist Camera
Front, rear and side Park Assist (rear with auto brake function)
Road Sign Information (RSI): display of road sign information
Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed
MULTIMEDIA & CONNECTIVITY
9" driver information display with 3 display modes : Calm, Surround and Map
14,5" center display with touchscreen and 1600x2560 pixels resolution
Google infotainment system with : - Google Maps: navigation and public charging stations locator - Google Gemini: AI voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices - Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®,Waze®, Amazon Prime Video® and YouTube®)
Connect Plus: 4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.
Remote functions via the Volvo Cars app on your smartphone, such as: - launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure - (un)lock your car - localize your car - access to the Driving Journal - plan and check the status of your electric charging session
Wireless Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®
OTA: Over The Air updates for the car
Digital Key Plus: - open, close and start your car via the Volvo Car app from a compatible smartphone (for ex. from Apple iPhone XR, Samsung Galaxy S21 and Google Pixel 6) - share of this digital key to your friends by sending an invitation via the Volvo Cars app - within 10 meters the car 'wakes up' with a welcome light sequence - within 1,5 meters the car unlocks, the exterior mirrors unfold, the interior light is activated, the central display shows the charging state and the cable unlocks for 90 seconds
Key card: open, close and start your car via 2 provided NFC cards
Wireless charging (15W) for smartphone (electromagnetic induction technology only)
6 USB-C connections (18W): 2 for front seats, 2 for second row and 2 for third row
High Performance audio system with RDS radio, Internet radio, 10 speakers (4 tweeters, 2 mid-range and 4 woofers) and 220 W amplifier
DAB+ (Digital Audio Broadcasting)
Bluetooth® hands-free telephone system and audio streaming
Controls integrated into steering wheel for driver display, cruise control, audio, telephone, navigation system and voice commands
Integrated "SOS" button for assistance in life-threatening emergencies
Integrated "On Call" button for roadside assistance
Volvo Assistance | 5 years subscription included
CLIMATE CONTROL
Four-zone electronic automatic climate control system, with additional air vents for the 2nd row managed by a touch screen panel at the rear of the central console
Additional, separate climate control for the 3rd row with air vents at the rear
Preconditioning to cool/heat the cabin to comfort temperature, via Volvo Cars app
IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter
Heated front seats
Heat in grillemblem for hidden radars
Front windscreen wiper blades with integrated washers
Rain sensor with adjustable sensitivity level

STANDARD EQUIPMENT CORE

INTERIOR
2nd row: individual seats with their own armrest, folding head restraints and folding backrest (6 seater)
2nd row: individual seats with length adjustment, folding head restraints and folding three-split 40/20/40 backrest (7 seater)
3rd row: 3 individual seats for passengers up to 1m70 with folding head restraints, electric folding backrest (up and down) and entry function for outer positions of the 2nd row
Bio-attributed Nordico comfort seats, Charcoal
Power-operated front seats with memory function (length, height, tilt, recline)
Power-operated two-way lumbar support in front seats
Steering wheel covered in simili-leather, sport grip with stiching and inlay in chrom
Interior lighting Standard including: - footwell lamps, 1st and 2nd row - tunnel light in the open storage below the centerstack screen - cupholder light, 1st row - central console storage light - cabin and reading lights in the roof, 1st and 2nd row - luggage light left and right side - illuminated vanity mirrors, 1st row
Free floating central console with a large open storage below the center display (space for a bag) and a deep closed storage below the central armrest
6 cup holders: 2 for front seats under an roll-top cover, 2 for second row (1 in each armrest) and 2 (also for phone) for third row in the side panels (6 seater)
6 cup holders: 2 for front seats under an roll-top cover, 2 for second row in the central armrest and 2 (also for phone) for third row in the side panels (7 seater)
Flat floor
Textile floor mats
Frameless Interior rear-view mirror with automatic autodim function
EXTERIOR
Flush, clean and pure design for optimal performance and range: - flush integrated door handles - frameless exterior mirrors - flush glazing i.e. side windows, b-pillar, c-pillar are all in the same surface - closed front end grill - aero inserts on the wheels
Fixed panoramic sunroof with dark tinted laminated glass that minimises glare and gives effective UV protection
LED headlights with integrated T-shaped daytime running lights - Active High Beam - welcome and farewell sequence playing an illuminated signature
Rear LED light with welcome and farewell sequence playing an illuminated signature
20" alloy wheels
Colour coordinated fender extenders
Frameless exterior mirrors power retractable and heated, with memory function, integrated LED indicator and on driver's side automatic dimming
EX90 emblem at rear
VERSATILITY
Power-operated tailgate
Flat load floor with 2nd and 3rd row folded down (6 seater: 2nd row with 10% incline)
Storage space beneath luggage compartment floor
Nylon safety net between the back of the 1rst of 2nd row and the luggage compartment
Grocery bag holder on left and right side in the luggage compartment
Four folding load retainer eyelets in luggage compartment
12 V power outlet in the luggage compartment
Frunk: 34 liter front load compartment
Load cover behind 3rd row, can be stored beneath luggage compartment floor

STANDARD EQUIPMENT CORE

PERSONAL SAFETY AND CONVENIENCE
Volvo Guard alarm with movement sensor and inclination sensor
Keyless Entry: - passive (un)locking and hands-free opening/closing of tailgate (foot movement under the rear bumper) - welcome and farewell sequence playing an illuminated signature in front and rear of the car
Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions
Remote-controlled central locking from doors, tailgate, glove box and charge lid. Automatic door locking > 7 km/h and automatic unlocking after a collision
Alcohol lock preparation (to buy separatly)
Tyre repair kit in the Frunk
FULLY ELECTRIC
One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal
Heat pump
Acoustic Vehicle Alerting System (AVAS) at slow speed
310 kW max DC charging
16 A charging cable, Mode 3, with Mennekes socket (for charging point), 6 metres
Battery Passport: digital document, accessible via QR code, with information about the battery
Plug and Charge: allows a charging session to start without the need for additional cards, apps, or manual authentication steps. The vehicle communicates with the charging station, and the station automatically recognizes and verifies the vehicle, allowing the charging process to begin.

Includes the Volvo EX90 Plus equipment supplemented by the specific Volvo EX90 Ultra equipment. Dark Design or Black Edition can be chosen. The additional price for Black Edition on the Twin Motor Performance version is calculated relative to the Ultra variant.

* Supplement already included in the prices per trim level as shown on page 3.

O = Option | S = Standard | – = Not available

Pilot Assist: keep an eye on the traffic and lane markings, supports you by adapting the speed and providing gentle steer assist to keep the car centered in its lane with maintained distance to the vehicule in front. Active from standstill up to 150 km/h.

Front High Definition Pixel lights:
- 1.3 million pixels giving almost unlimited possibilities to adapt the light image to prevailing conditions
- Active High Beam: auto-dims for up to 5 cars and 3 other objects at the same time to optimize vision without dazzling other road-users
- projection of advanced graphic light sequences when approaching the car
- welcome and farewell sequence playing an illuminated signature

Electrochromic glass for the panoramic roof: adjustable roof opacity. Allows you to quickly switch from clear to opaque using an electric tension system.

Ventilated seats at the front

DARK DESIGN

OR

BLACK EDITION DESIGN

Massage function in front seats: 5 programs, 3 speeds and 3 intensities

Automatic Soft Close for the doors, for a smooth and silent closing

Laminated side windows and rear windscreen:
- help to reduce noise from the outside so that you and your passengers can enjoy an even quieter ride
- enhance your security as the windows' high resistance to external force makes it hard for a thief to break into your car
- for your comfort, contribute to reduce UV radiation inside the cabin

21" alloy wheels

Lateral support for electric seats at front

High-pressure headlight washers

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 2 years without any worries when your Volvo manufacturer's warranty expires after 3 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS
And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE
The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS
And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The availability of the features and services listed in this price list is not guaranteed at the time you take delivery of your EX90. Any missing feature or service will be activated remotely Over-the-Air.

The recommended prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for Grand Duchy of Luxembourg). Recommended prices for winter wheel kits (composed of 4 complete winter wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

This offer is binding on Volvo Car Belgium NV and/or its affiliated companies only to the extent that the Standard General Terms and Conditions and the relevant Commercial Conditions are fully applicable, and the applicability of your general terms and conditions or any other terms is entirely excluded.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
