The catalogue prices above include environmental fees for the vehicle and its component streams. For Luxembourg, more info on www.volvocars.com/lu/tarifrecyclage.
Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

**FACTORY WARRANTY
ON YOUR VOLVO**

**3 YEARS OR 100.000 KM
(whichever comes first)**

**FACTORY WARRANTY
ON HIGH VOLTAGE
BATTERY***

**8 YEARS OR 160.000 KM
(whichever comes first)**

* The batteries undergo normal wear depending on age and use. If the battery capacity falls below 70% of the original state within 8 years from the date of delivery or 160.000 km (whichever is reached first), the battery will be replaced under guarantee.

DESIGNS

DARK

For Essential, Core, Plus and Ultra

SAFETY

Advanced radar and camera platform: 5 radars, 1 in each corner of the car and 1 in the front bumper, as well as 1 front camera

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Advanced Stability Control, Trailer Stability Assist (only with the tow bar) and Hill Descent Control | Traction Control (TC) including Corner Traction Control with Torque Vectoring | Spin Control

Automatic braking after a collision

Tyre Pressure Monitoring System (TPMS)

Ultra-resistant structure of vehicle interior and roof

Collapsible steering column

Automatic unlocking after a collision

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Front airbags including a far side airbag mounted inside the driver seat, SIPS® side airbags and inflatable curtains

Front passenger airbag cut-off switch

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Emergency brake lights

Rear doors manual child safety lock

Isofix anchorages for the outer positions of the rear seat

Acoustic Vehicle Alerting System (AVAS) at slow speed

MULTIMEDIA & CONNECTIVITY

12,3" central touchscreen divided into different parts with the highest part showing the most important driver information

Google infotainment system with :

- Google Maps: navigation and public charging stations locator
- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices
- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

Connect Plus: 4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription is possible or you can share your data using tethering on your smartphone

High Performance audio system with 5 speakers and 100W 4 channel amplifier

- 2 soft dome tweeters and 2 midrange integrated in a soundbar under the windscreen
- 1 air ventilated woofer under the windscreen

STANDARD EQUIPMENT ESSENTIAL

Remote functions via the Volvo EX30 app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure
- (un)lock your car
- localize your car
- access to the Driving Journal
- plan and check the status of your electric charging session

Wireless smartphone integration (Apple CarPlay® and Android Auto®) | Access to third developers apps such as Waze and WhatsApp®

5G capabilities

OTA: Over The Air updates for the car

DAB+ (Digital Audio Broadcasting)

2 front USB-C outlets

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 5-year subscription included

DRIVER ASSISTANCE

Rear Park Assist Camera

Front and rear Park Assist

Advanced safety alert and intervention system, including:

- Blind Spot Information System with steering assistance (BLIS)
- Door opening alert when cars, pedestrians, cyclists scooters or motorcycles approach from behind
- Rear Collision Warning with rear hazard warning lights activation, and automatic emergency braking if the car is at a standstill
- Front and Rear Cross Traffic Alert: detection of vehicles coming from the side when driving forward or reversing

Intersection Autobrake function that can intervene if there is a risk of collision. When the driver is about to make a left turn in an intersection with oncoming traffic, the car can brake automatically to help avoid an impact. This function can also support in straight crossings with traffic coming from the sides

Collision Avoidance & Mitigation by Braking and Steering: the car's radars and front camera keep a constant track on vehicles, motorcycles, scooters, pedestrians, and cyclists ahead. If there's a risk of collision, the car is designed to first alert the driver. If necessary, it can brake automatically or even apply slight steering assistance to enhance an already initiated manoeuvre by the driver

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering (active between 60 and 140 km/h) & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

Vehicle, Cyclist and Pedestrian Detection: thanks to the radar and camera platform, the car can detect moving as well as stationary cars, trucks and buses, but also motorcycles, scooters, pedestrians and cyclists

Pedestrian, Cyclist and Scooter Steering Avoidance: on a rural road without pavement and with clearly visible road marks, when you catch up a cyclist, pedestrian or a scooter travelling in the same direction as you but haven't spotted it immediately, this new function can help you avoid a collision. If the car senses a collision is likely to happen, it can actively take over the steering and steer away as long as you don't cross the lane markings. After having passed the road user with a sufficient safety distance, the car regains its position on the road

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 60 and 140 km/h)

Speed limiter

Road Sign Information (RSI): display of road sign information with excess speed warning utilizing the front camera and map-based information

Intelligent Speed Assist (ISA)

PERSONAL SAFETY AND CONVENIENCE

Volvo Guard alarm with movement and inclination sensor

Interior lighting including:

- front door panel insert light
- tunnel light in the open storage between the console armrest and lower instrument panel
- front and rear cabin and reading lights in the roof
- luggage compartment light left side

Range and Refresh modes

One Pedal Drive: possibility to use only one pedal to accelerate or brake. Just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal. This function is active when the engine is started and can easily be deactivated via a button on the steering wheel

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

Two Key Cards (NFC technology) to (un)lock or start the car

Tyre repair kit

CLIMATE CONTROL

Single-zone electronic automatic climate control with CN95 pollen filter which reduces up to 98% of all the particles larger than 1 mikrometer in size. Air vents in the dashboard and under the front seats for the rear passengers

Interior climate preconditioning (cabin cooling or heating), including electrical heating of the front seats and the steering wheel (if present)

Rain sensor

INTERIOR

Upholstery made from partly biosourced Charcoal Nordico and Indigo textile in 100% recycled polyester

Denim inlays in the dashboard and the doors

Comfort manually six-way adjustable front seats that features length fore-aft, height and recline adjustments

Central console with:

- armrest between the front seats
- sliding unit between the front seats that serves as a cupholder as well as storage box for a smartphone
- open storage area on the floor
- storage for up to two phones in the front edge of the central multi-storage below the centre display
- centrally positioned glove box for smaller items below the centre display

Three-spoke sport black steering wheel with a flat top and bottom. Leather-free and wrapped in a synthetic material with a luxurious touch

Interior rear-view mirror with manual dimming

Rear seats without central armrest. Folding back in two parts (60/40)

STANDARD EQUIPMENT ESSENTIAL

VERSATILITY

- Very spacious storage in the front door pockets
- Removable rear storage box underneath the back of the armrest
- Map storage pocket behind the front seats (not with Indigo-interior)
- Rigid, detachable luggage cover
- 4 load retainer eyelets and 2 shopping bag hooks in luggage compartment
- 12V power outlet in the luggage compartment

EXTERIOR

- LED headlights with integrated T-shaped LED daytime running lights, manual level adjustment and Active High Beam
- LED rear lights inclusive fog lights
- Headlights and rear lamps can provide a welcome or farewell light sequence
- Nicely integrated air inlets at the outer ends of the bumper for improved aerodynamics
- The lower body trim, bumper spoiler and lower door mouldings are in charcoal plastic with a grooved pattern
- 18" 5-aerospoke Silver rims and 225/55 R18 summer tyres
- Power retractable and heated frameless exterior mirrors, with integrated LED indicator
- NFC reader between the front and rear doors at the driver side
- Preparation for mounting tow bar as accessory
- Advanced chassis designed to give a comfortable and premium driving experience

RECHARGE

- 32 A charging cable, Mode 3, with Mennekes socket (for charging point), 5 metres
 - 11 kW onboard charger (AC-DC converter)
-

TRIM LEVELS

CORE	Design	List price* € excl. VAT	List price* € incl. VAT BE	List price* € incl. VAT LU	P5	P5 Long Range	P8 AWD
Includes the EX30 Essential equipment supplemented by the specific Core equipment	Dark	0,00	0	0	-	S	-
	Dark	1.330,58	1.610	1.557	0	-	-

*Supplement already included in the prices per trim level as shown on page 3.

O = Option | S = Standard | - = Not available

Heat pump (with P5 Long Range and P8 AWD versions)

Adaptive Cruise Control that can support you up to 150km/h, including:

- Cruise Control: when no vehicle is in front of the vehicle, it can control the vehicle to the set speed
- Follow Cruise: follow the vehicle in front with a certain distance according to the time gap you set
- Overtake Assist: when you engage the turn indicator and control the vehicle to go into the overtaking lane, it will accelerate to the set speed if no vehicle is in front of you

Automatic Speed Limiter: when Pilot Assist or Adaptive Cruise Control is activated, it can adjust your speed according to the current road speed limits

Front load compartment under the hood

Front and rear premium black textile floor mats

Flexible load floor that can be placed in normal flat level or low level. The normal level creates a flat load floor when the rear seats are folded

Black rim inserts for the 18" rims with 5 aero spoke

TRIM LEVELS

PLUS	Design	List price* € excl. VAT	List price* € incl. VAT BE	List price* € incl. VAT LU	P5	P5 Long Range	P8 AWD

O = Option | - = Not available

Harman Kardon audio system with 9 speakers and 1040 W 9 channel amplifier
- 1 mid-tweeter, 2 soft dome tweeters and 2 midrange integrated in a soundbar under the windscreen
- 2 full-range in the rear doors
- 1 air ventilated woofer under the windscreen
- 1 air ventilated subwoofer in the luggage compartment
Pilot Assist that can be activated up to 130 km/h and can include the following functions:
- look for lane markings and provide gentle steer assist to help keep the car centred in its lane
- Lane Change Assist: between 65 km/h and 130 km/h, when you activate your turn indicator, you just have to hold the steering wheel and the car can automatically change lane
- Distance to Truck Assist: between 50 and 130 km/h, when you overtake a truck, this function can steer your car automatically and utilise available space in the current lane to increase the side distance to the truck. The offset range is about 20 cm towards the centreline. After passing, the car can return to the centre of the lane. If there are trucks on both sides of the car, this function can also help steer the car to a centred position between the trucks
Two-zone electronic automatic climate control system. Includes also the Air Quality System (AQS) to improve air quality inside the vehicle and an automatic air recirculation function. The driver and front passenger can also easily monitor in the centre display the levels of health-impairing fine particulate matters (PM 2.5) in the cabin
Power operated tailgate
Keyless Entry: passive (un)locking
Ambient illumination with indirect illumination on the instrument panel decors. This interior illumination is colour-coordinated with the unique colour theme of each interior design. Also possible to choose between five designed ambience themes
Central storage area on the floor between the front seats that can be closed so that a handbag can be placed on it
Smartphone pouch in the map storage pocket behind the front seats (not with Indigo-interior)
2 extra USB-C outlets behind the armrest
Wireless charging for smartphone in the front storage compartment underneath the glove box (electromagnetic induction technology)
Relax mode (with optional Luxury Seat Pack)
1 remote control
Inner rear-view mirror with automatic dimming
Exterior mirrors with automatic dimming at driver side
LED entry lighting integrated in the exterior rear view mirrors
Cross Country chassis for an even more comfortable ride (with Cross Country version)
Ground clearance increased with 19 mm (with Cross Country version)

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 2 years without any worries when your Volvo manufacturer's warranty expires after 3 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

EX30

EX30 Cross Country

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, such as consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The availability of the features and services listed in this price list is not guaranteed at the time you take delivery of your EX30. Any missing feature or service will be activated remotely Over-the-Air.

The recommended prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for Grand Duchy of Luxembourg). Recommended prices for winter wheel kits (composed of 4 complete winter wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

This offer is binding on Volvo Car Belgium NV and/or its affiliated companies only to the extent that the Standard General Terms and Conditions and the relevant Commercial Conditions are fully applicable, and the applicability of your general terms and conditions or any other terms is entirely excluded.

Connect Plus: 4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription is possible or you can share your data using tethering on your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
