Volvo Excess Wear & Tear Advantage Lease-end Protection

Over the life of a vehicle lease, a certain amount of wear is expected from everyday use. Beyond the expected normal wear, excessive wear can occur and result in charges in addition to what you expected to pay at lease-end.

The Volvo Excess Wear & Tear Advantage program is designed to enhance your lease experience by providing payment relief for applicable excess wear and tear charges.

This brochure is intended as a general overview and does not form a part of the contract. Please see your Authorized Volvo Retailer or refer to the Volvo Excess Wear & Tear Advantage Partial Waiver Addendum to the Retail Lease Agreement for complete details, exclusions, limitations and obligations.
