1) All models are type approved to WLTP (Worldwide harmonised Light-duty vehicles Test Procedure) standards. WLTP is the official test regime for passenger cars and the emission figures will be used for taxation purposes. The exact range figures of the vehicle will vary according to any options and packs specified.

2) Figures shown reflect standard vehicle without options. The Volvo car configurator can display the estimated CO_2 and vehicle range according to selected packs, options and wheels. Confirmation of the exact CO_2 and EAER (Equivalent All-Electric Range) values can be given once the vehicle order has been confirmed by the factory for production.

3) Delivery and Related Changes not included
