**Vehicles destined for EEA.** The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

**Export of vehicles.** Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

**(1) Prices.** A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo XC60 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO<sub>2</sub> emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle.

## ESSENTIAL STANDARD EQUIPMENT

### ESSENTIAL

	Design	List price € excl. VAT	List price € incl. VAT BE	List price € incl. VAT LU	B5 AWD	T6 AWD	T8 AWD
XC60 Essential equipment. Base Design.	Base	0,00	0	0	-	S	-

S = Standard | - = Not available

#### SAFETY

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians and large animals (active up to a speed difference of 50 km/h, day and night), including automatic steering assistance (Steer Assist system active between 50 and 100 km/h) and active braking intervention

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Run-off Road Protection: protection if the vehicle leaves the road, with path correction (Run-off Road Mitigation), including energy-absorbing front seat cushions

Frontal airbags including driver knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Power-operated child safety lock on rear doors

Isofix anchorages for the outer positions of the rear seat

Front passenger airbag cut-off switch

#### DRIVER ASSISTANCE

Rear Park Assist Camera

Rear Park Assist with auto brake function

Advanced Driver Assist System (ADAS) sensor platform

Road Sign Information (RSI) : display of road sign information

Intelligent Speed Assist (ISA)

Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

Drive Modes: up to 5 modes (Comfort/Offroad for mild hybrids, Hybrid/Pure/Offroad/AWD/Power for plug-in hybrids and Hybrid/Pure/Offroad/AWD/Polestar for Polestar Engineered) with different parameters for the use of the combustion and/or electrical engine, throttle response, automatic gearbox, start/stop function, optional all-wheel drive, assisted steering, brakes, climate control and optional adaptive cruise control

#### MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two display modes : Calm and Navi

11,2" center display with touchscreen to control most of the functions

Google infotainment system with :

- Google Maps: navigation and public charging stations locator

- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices

- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Remote functions via the Volvo Cars app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure

- (un)lock your car

- localize your car

- access to the Driving Journal

- plan and check the status of your electric charging session

Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Wireless charging for smartphone in the central tunnel (electromagnetic induction technology only)

High Performance audio system with RDS radio, Internet radio, 10 speakers (4 tweeters, 2 mid-range and 4 woofers) and 220 W amplifier

DAB+ (Digital Audio Broadcasting)

4 USB-C connections: 2 in the central console and 2 at the rear of the tunnel console

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into steering wheel for driver display, cruise control, audio, telephone, navigation system and voice commands

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 3 years subscription included

#### PERSONAL SAFETY AND CONVENIENCE

Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds

Keyless Start: starts the engine without a key

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

### BASE DESIGN

## ESSENTIAL STANDARD EQUIPMENT

External and internal approach lighting, turned on when the vehicle is unlocked  
 Follow Me Home safety lighting  
 Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision  
 Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof  
 Immobiliser  
 Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)  
 Tyre repair kit

### CLIMATE CONTROL

Two-zone electric automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter  
 Pre-ventilation and post-climatisation function for the interior of the vehicle when the engine is switched off  
 IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter  
 Front and rear wipers blades with integrated washers ("Aquablades")  
 Rain sensor with adjustable sensitivity level

### VERSATILITY

Ticket holder on driver's side of the windscreen  
 Storage nets in backrest of front seats  
 Flat load floor with rear seat backrest folded down  
 Nylon safety net between the back seats and the luggage compartment  
 Luggage cover with load position function  
 Storage space beneath at the rear end seats for magazines, newspapers, tablet or small laptop (removed in combination with option 322)  
 Storage space beneath luggage compartment floor  
 Four folding load retainer eyelets in luggage compartment

### INTERIOR

Manually operated Comfort front seats with fixed lumbar support, power-operated height adjustment and seat cushion incline adjustment  
 City Wave textile upholstery  
 Gear lever knob covered in similli-leather with Silk Metal inlay  
 Rear seat with folding two-split 60/40 backrest and central armrest with load hatch for long objects  
 Power-operated two-way lumbar support in front seats  
 Aluminium front door sill moulding with Volvo logo  
 Textile floor mats at front and rear  
 Height- and depth-adjustable steering wheel with Silk Metal inlay  
 Interior lighting Plus, including illuminated vanity mirrors at front, dimmed lighting at front and floor lights at front  
 Interior rear-view mirror without trim, with automatic anti-glare function  
 12 V socket in the luggage compartment  
 Active Noise Control with EOE (Engine Order Enhancement) (only on mild hybrid petrol engines)

### EXTERIOR

LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and automatic headlights  
 LED rear lights  
 18" alloy wheels  
 Dynamic chassis  
 Power retractable, heated outer rear-view mirrors with automatic dimming and integrated LED indicator  
 Roof spoiler

## T6/T8 AWD PLUG-IN HYBRIDS ADDITIONAL STANDARD EQUIPMENT

### PLUG-IN HYBRID

Preconditioning to cool/heat the cabin to comfort temperature  
 Predictive Efficiency: function that optimises the use of the electric engine and the battery capacity based on the destination entered  
 One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal  
 Acoustic Vehicle Alerting System (AVAS) at slow speed  
 Air-ventilated subwoofer  
 Active Noise Control with EOE (Engine Order Enhancement) and EOR (Engine Order Reduction)  
 10A charging cable with Schuko socket (for domestic use), length 7 m  
 T6 AWD or T8 AWD emblem at rear (not on Polestar Engineered)

## EXTENDED SERVICES

### VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

#### GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

#### VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

#### USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

### VOLVO CAR SERVICE PLAN

**Plan in advance** for a greater peace of mind

Rest assured with Volvo Cars' official maintenance programme. You pay a one-time premium when you sign the Volvo Car Service Plan contract and you no longer have to worry about the maintenance of your Volvo. Our technicians, trained by us, will maintain your car and keep it in perfect condition for years. All parts to be replaced, according to Volvo's official maintenance schedule, are included. So you'll never be faced with financial surprises.

#### VOLVO CAR SERVICE PLAN

- Volvo Car Service according to schedules maintenance intervals
  - health-check
  - software update
- renewal of your Volvo Assistance
- windshield washer fluid top-up 2x/year
- car wash, if available at the chosen Volvo authorised workshop

#### VOLVO CAR SERVICE PLAN PLUS

An extension of the Service Plan that also includes the following wear parts:

- brake pads
- brake discs
- wiper blades
- 12V battery

## DELIVERY PACK

### VOLVO CAR DELIVERY PACK

Enjoy a **personalized delivery**

The delivery of a new car is a special moment. And Volvo makes this moment even more special. With the Delivery Pack, we provide a personalized unveiling of your new Volvo followed by a detailed explanation during and after delivery. Of course, we make sure your car is fully roadworthy and equipped to enjoy the Volvo experience right away.

- 5 safety vests
- fire extinguisher
- warning triangle
- front numberplate

- 20 liters of petrol and/or car charged to at least 80%
- detailed explanation of all car features

- Volvo Cars app setup
- car delivered under cover
- 1 hour follow-up meeting for all your questions after delivery

Headroom with sunroof front/rear	96,6 / 96,6 cm
Headroom without sunroof front/rear	99,4 / 98,8 cm
Shoulder room front/rear	147,8 / 143,0 cm
Leg room front/rear	105,5 / 96,5 cm
Min./max. length luggage compartment rear seats-tailgate	75,8 / 96,0 cm
Min./max. length luggage compartment front seats-tailgate	161,6 / 174,6 cm
Height luggage compartment	77,6 cm
Lifting height	61,6 cm
Width luggage compartment between wheel arches	105,5 cm
Min./Max. width tailgate opening	90,5 / 101,0 cm

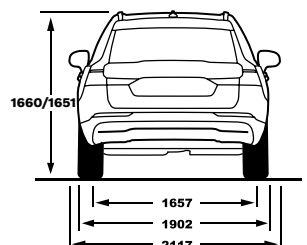

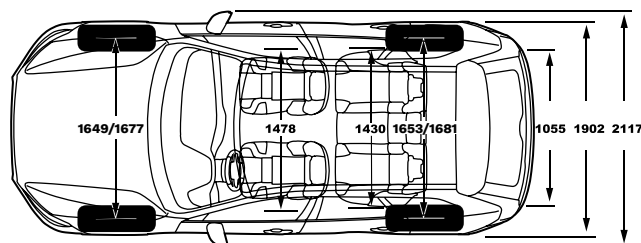

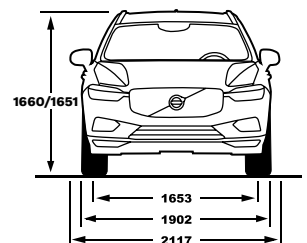

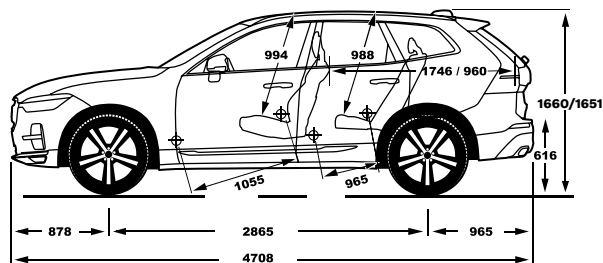

\* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6d) emissions standard), a more realistic procedure for measuring the fuel consumption and CO<sub>2</sub> emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO<sub>2</sub> emissions from the car in practice. The CO<sub>2</sub> emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

ENGINE	B5 AWD
Engine code	B420T11 (M1)
Engine type	Mild hybrid petrol
Electric engine battery	Lithium-ion 48V

#### SPECIFIC WARRANTY

##### VOLVO PLUG-IN HYBRID:

426V batterie warranty: the batteries undergo normal wear depending on age and use. If the battery capacity falls below 65% of the original state within 5 years or 100.000 km (whichever is reached first) and below 55% between 5-8 years or 100.000-160.000 km (whichever is reached first), the battery will be replaced under guarantee.

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO<sub>2</sub> emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
