The catalogue prices above include environmental fees for the vehicle and its component streams. For Luxembourg, more info on www.volvocars.com/lu/tarifrecyclage.

Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

SAFETY

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians and large animals (active up to a speed difference of 50 km/h, day and night), including automatic steering assistance (Steer Assist system active between 50 and 100 km/h) and active braking intervention

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Height-adjustable front seat belts and front and rear seatbelts with pre-tensioners and load limiters

Run-off Road Protection: protection if the vehicle leaves the road, with path correction and possibility to apply the brakes if needed (Run-off Road Mitigation), including energy-absorbing front seat cushions

Front airbags including driver knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests, seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate feet, legs and back injuries

Emergency brake lights

Power-operated child safety lock on rear doors

Isofix anchorages for the outer positions of the rear seat

Front passenger airbag cut-off switch

DRIVER ASSISTANCE

Rear Park Assist Camera

Rear Park Assist with auto brake function

Advanced Driver Assist System (ADAS) sensor, radar and camera platform

Road Sign Information (RSI) : display of road sign information

Intelligent Speed Assist (ISA)

Ready to Drive notification: informs the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

Drive Modes: up to 5 modes (Comfort/Offroad for mild hybrids, Hybrid/Pure/Offroad/AWD/Power for plug-in hybrids) with different parameters for the use of the combustion and/or electrical engine, throttle response, automatic gearbox, start/stop function, optional all-wheel drive, assisted steering, brakes, climate control and adaptive cruise control

MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two display modes : Calm and Navi

11,2" center display with touchscreen to control most of the car functions

Google infotainment system with :

- Google Maps: navigation and public charging stations locator

- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices

- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

Connect Plus: 4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription is possible or you can share your data using tethering on your smartphone

Remote functions via the Volvo Cars app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure

- (un)lock your car

- localize your car

- access to the Driving Journal

- plan and check the status of your electric charging session

Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Wireless charging for smartphone in the central tunnel (electromagnetic induction technology only)

High Performance audio system with RDS radio, Internet radio, 10 speakers (2 tweeters, 4 mid-range and 4 woofers) and 220 W amplifier

DAB+ (Digital Audio Broadcasting)

4 USB-C connections: 2 in the central console and 2 at the rear of the tunnel console

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into the steering wheel for driver display, Adaptive Cruise Control, audio, telephone, navigation system and voice commands

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 3 years subscription included

PERSONAL SAFETY AND CONVENIENCE

Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds

Keyless Start: starts the engine without a key

BASE DESIGN

ESSENTIAL STANDARD EQUIPMENT

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions
 External and internal approach lighting, turned on when the vehicle is unlocked
 Follow Me Home safety lighting
 Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision
 Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof
 Immobiliser
 Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)
 Tyre repair kit

CLIMATE CONTROL

Two-zone electric automatic climate control system with rear air vents, humidity sensor, air recirculation function and pollen filter
 Pre-ventilation and post-climatisation function for the cabin when the engine is switched off
 IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter
 Front and rear wipers blades with integrated washers ("Aquablades")
 Rain sensor with adjustable sensitivity level

VERSATILITY

Ticket holder on driver's side of the windscreen
 Storage nets in backrest of front seats
 Flat load floor with rear seat backrest folded down
 Nylon safety net between the back seats and the luggage compartment
 Luggage cover with load position function
 Storage space under the seat cushions of the outer rear seats for magazines, newspapers, tablet or small laptop (removed in combination with option 322)
 Storage space under the luggage compartment floor
 Four folding load retainer eyelets in luggage compartment

INTERIOR

Manually operated Comfort front seats with adjustable lumbar support, power-operated height adjustment and seat cushion incline adjustment
 City Weave textile upholstery
 Gear lever knob covered in simili-leather with Silk Metal inlay
 Rear seat with folding two-split 60/40 backrest and central armrest with load hatch for long objects
 Power-operated two-way lumbar support in front seats
 Fixed rear headrests
 Aluminium front door sill moulding with Volvo logo
 Textile front and rear floor mats
 Height- and depth-adjustable steering wheel with Silk Metal inlay
 Interior lighting Plus, including front illuminated vanity mirrors, front dimmed lighting and front and rear floor lights
 Interior rear-view mirror without trim, with automatic dimming
 12 V socket in the luggage compartment
 Active Noise Control with EOE (Engine Order Enhancement) (only on mild hybrid petrol engines)

EXTERIOR

LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and automatic headlights
 LED rear lights
 18" alloy wheels
 Dynamic chassis
 Power-foldable, heated outer rear-view mirrors with automatic dimming and integrated LED indicator
 Roof spoiler

T6/T8 AWD PLUG-IN HYBRIDS ADDITIONAL STANDARD EQUIPMENT

PLUG-IN HYBRID

Preconditioning to cool/heat the cabin to comfort temperature
 One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal
 Acoustic Vehicle Alerting System (AVAS) at slow speed
 Air-ventilated subwoofer
 Active Noise Control with EOE (Engine Order Enhancement) and EOR (Engine Order Reduction)
 10A charging cable with Schuko socket (for domestic use), length 7 m
 T6 AWD or T8 AWD rear emblem

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

Rear track	165,3 - 168,1 cm
Turning circle between curbs	11,4 m
Ground clearance (driver included) (standard / with air suspension) / Forging depth on B5 AWD	21,4 / 20,9 / 40,0 cm
Ground clearance (driver included) / Forging depth on T6/T8 AWD	20,5 / 40,0 cm

INTERIOR

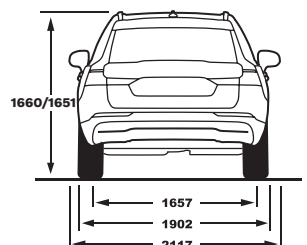

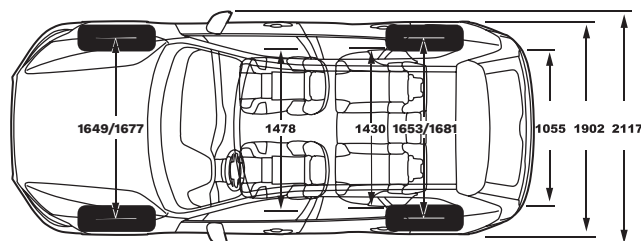

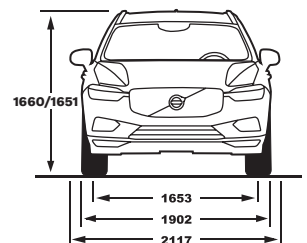

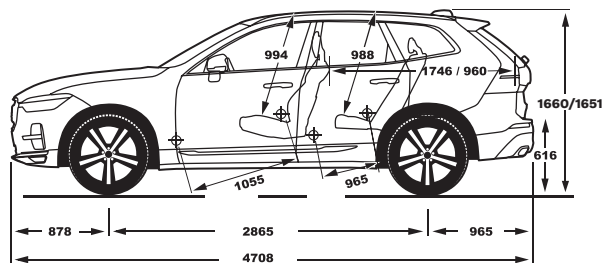

Headroom with sunroof front/rear	96,6 / 96,6 cm
Headroom without sunroof front/rear	99,4 / 98,8 cm
Shoulder room front/rear	147,8 / 143,0 cm
Leg room front/rear	105,5 / 96,5 cm
Min./max. length luggage compartment rear seats-tailgate	75,8 / 96,0 cm
Min./max. length luggage compartment front seats-tailgate	161,6 / 174,6 cm
Height luggage compartment	77,6 cm
Lifting height	61,6 cm
Width luggage compartment between wheel arches	105,5 cm

* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6e-bis) emissions standard), a more realistic procedure for measuring the fuel consumption and CO₂ emissions of the car. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO₂ emissions from the car in practice. The CO₂ emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

ENGINE	B5 AWD
Engine code	B420T11 (M1)
Engine type	Mild hybrid petrol
Electric engine battery	Lithium-ion 48V
Battery energy capacity (nominal) kWh	0,4
Battery energy capacity (usable) kWh	-
Max. capacity petrol hp/kW/rpm	250/184/5.400-5.700
Max. capacity electric hp/kW/rpm	14/10/3.300
Max. capacity combined hp/kW	250/184
Max. torque petrol Nm/rpm	360/2.000-4.500
Max. torque electric Nm/rpm	40/2.250
Cylinders/valves/taxable horsepower	4 cylinder line/16/11
Supercharge	Turbo & 48V starter/generator
Cubic capacity (cc)	1.969
Bore & stroke (mm)	82 x 93,2
Compression ratio	11,5:1
Emissions standard	EURO 6e bis
TRANSMISSION	
Motricity	All wheel drive
Gearbox	Automatic 8-speed
PERFORMANCES	
Acceleration 0-100 km/h (sec)	6,9
Top speed (km/h)	180
PLUG-IN HYBRID	
On-board charger (kW)	-
Charge time 0-100% (16A/10A) 230V (hours)	-
EMISSIONS AND CONSUMPTION ACCORDING TO WLTP *	
Fuel consumption (combined) l/100 km	7,5-8,7
Electric power consumption (combined) kWh/100km	-
Electric range (combined) km	-
CO ₂ emissions (combined) g/km	169-198
WEIGHTS AND MEASURES	
Min. curb weight (kg)	1.835
Running order weight (kg)	1900
Max. total weight (kg)	2.450
Max. weight braked / unbraked trailer (kg)	2.400 / 750
Max. roof load capacity (kg)	100
Largest load volume with bench seat back folded down ISO V214-1 (incl. V209) (liters)	1.543
Load compartment volume ISO V214-2 (incl. V209) (liters)	613
Load compartment volume under luggage cover ISO V211-2 (incl. V209) (liters)	483
Volume under load compartment floor (with/without spare wheel) ISO V209 (liters)	25 / 28
Fuel tank capacity (litres)	71

**SPECIFIC WARRANTY
VOLVO PLUG-IN HYBRID:**

426V battery warranty: the batteries undergo normal wear depending on age and use. If the battery capacity falls below 65% of the original state within 5 years or 100.000 km (whichever is reached first) and below 55% between 5-8 years or 100.000-160.000 km (whichever is reached first), the battery will be replaced under guarantee

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO₂ emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The availability of the features and services listed in this price list is not guaranteed at the time you take delivery of your XC60. Any missing feature or service will be activated remotely Over-the-Air.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

This offer is binding on Volvo Car Belgium NV and/or its affiliated companies only to the extent that the Standard General Terms and Conditions and the relevant Commercial Conditions are fully applicable, and the applicability of your general terms and conditions or any other terms is entirely excluded.

Connect Plus: 4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription is possible or you can share your data using tethering on your smartphone.

Environmental information [Royal Decree 19/03/2004]. All self-respecting Volvo drivers put safety first.
