Vehicles destined for EEA. The models listed above are destined for the European Economic Area ("EEA") market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo XC40 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. Owing to the more realistic test conditions, the fuel consumption and CO₂ emissions measured in accordance with the WLTP are in many cases higher than those measured using the NEDC.

DESIGNS

BASE

For Essential and Core

Glossy black grille with chrome frame and dark grey vertical strips

Front and rear bumpers with skidplates in matt silver

Black trim on side windows

Black integrated roof rails

XC40 STANDARD EQUIPMENT ESSENTIAL

SAFETY

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Understeer Control Logic, Advanced Stability Control, Roll Stability Control, Driver Steering Recommendation, Sport Mode, Dynamic Torque Vectoring and Trailer Stability Assist (only with the tow bar) | Traction Control (TC) including Corner Traction Control with Torque Vectoring | Spin Control including Engine Drag Control

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians (active up to a speed difference of 50 km/h, day and night), including active braking assistance

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Automatic unlocking after a collision

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Front airbags including driver's knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Power-operated child safety lock in rear doors

Isofix anchorages for the outer positions of the rear seat

Front passenger airbag cut-off switch

DRIVER ASSISTANCE

Rear Park Assist Camera

Rear Park Assist with autobrake function

Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds

Intelligent Speed Assist (ISA)

Road Sign Information (RSI) : display of road sign information

Ready to Drive notification: function that informs the driver via a sound and a visual notification if the vehicle is still standing still even though the vehicle in front has moved a certain distance or exceeded a certain speed

MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two new display modes: Calm and Navi

9" central touchscreen to control most of the car functions

Google infotainment system with :

- Google Maps: navigation and public charging stations locator

- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices

- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone

Remote functions via the Volvo Cars app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure

- (un)lock your car

- localize your car

- access to the Driving Journal

- plan and check the status of your electric charging session

Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Performance audio system with RDS radio, 3 speakers (2 full-range in front, 1 air woofer beneath the windscreen) and Performance 80 W amplifier

DAB+ (Digital Audio Broadcasting)

2 USB-C connections at the rear of the central console and 2 at the front

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into steering wheel for driver display, cruise control, audio, telephone, (optional) navigation system and voice commands

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 3 years subscription included

PERSONAL SAFETY AND CONVENIENCE

Keyless Start: starts the engine without a key

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

External and internal approach lighting, turned on when the vehicle is unlocked

Follow Me Home safety lighting

Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision

Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof

BASE DESIGN

XC40 STANDARD EQUIPMENT ESSENTIAL

Immobiliser

Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)

Tyre repair kit

CLIMATE CONTROL

Two-zone electronic automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter

Pre-ventilation and post-climatisation function for the interior of the vehicle when the engine is switched off

IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter

Front wipers blades with integrated washers ("Aquablades")

Rain sensor with adjustable sensitivity level

VERSATILITY

Very spacious storage bins in front doors

Flat load floor with bench seat back folded down

Multifunction folding load floor with shopping bag hooks

Storage space beneath the luggage compartment floor

Rigid, detachable luggage cover, stored beneath the luggage compartment floor

Four shopping bag hooks and four folding load retainer eyelets in luggage compartment

INTERIOR

Comfort fronts seats with manual adjustable height and length

Bella Small textile upholstery

Rear seats with folding back in two parts (60/40)

Fixed lumbar support, front seats

Black simili-leather gear lever knob with Glossy Black inlay

Black simili-leather steering wheel, height- and depth-adjustable

Charcoal central console at front with armrest and large storage compartment, two cup holders and two open storage compartments

Textile floor mats at front and rear

Interior lighting including vanity mirror with light on the driver's side, reading lights in front and load compartment lighting

Inner rear-view mirror with automatic dimming

12 V socket on the right-hand side of the load compartment

EXTERIOR

LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and Volvo Safety Lights

LED rear lights

17" 5-spoke silver alloy wheels

Dynamic chassis

Power retractable heated outer rear-view mirrors with colour coordinated covers and integrated LED indicator

Roof spoiler

Wheel arches and lower bodywork parts in Matt Black plastic

TRIM LEVELS

CORE

(Includes the XC40 Essential equipment supplemented with the specific XC40 Core equipment)

18" 5-spoke silver alloy wheels

High Performance audio system with RDS radio, Internet radio, 8 speakers (1 full-range and 1 air woofer beneath the windscreen, 2 tweeters in front and 4 mid-range front and rear) and High Performance 250 W amplifier

Wireless charging for smartphone (electromagnetic induction technology)

Front Park Assist

Keyless Entry: passive (un)locking, hands-free tailgate opening/closing (foot movement under the rear bumper) and lighting in the door handles

Power-operated tailgate

City Block textile upholstery

Fronts seats with manual seat cushion extension (except with standard textile City Canvas interior)

Rear seats with central armrest with cup holder and load hatch (except with standard textile City Canvas interior)

Driver seat with power-operated four-way lumbar support

Adjustable driver seat cushion incline

Urban Grid aluminium inlay in the dashboard and the front doors

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6e-bis) emissions standard), a more realistic procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO₂ emissions from the car in practice. The CO₂ emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO₂ emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The availability of the features and services listed in this price list is not guaranteed at the time you take delivery of your XC40. Any missing feature or service will be activated remotely Over-the-Air.

The recommended prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

This offer is binding on Volvo Car Belgium NV and/or its affiliated companies only to the extent that the Standard General Terms and Conditions and the relevant Commercial Conditions are fully applicable, and the applicability of your general terms and conditions or any other terms is entirely excluded.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
