Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo V60 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the care which have an impact on the weight and aerodynamics of the vehicle. Owing to the more realistic test conditions, the fuel consumption and CO₂ emissions measured in accordance with the WLTP are in many cases higher than those measured using the NEDC.

SAFETY

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Understeer Control Logic, Advanced Stability Control, Roll Stability Control, Driver Steering Recommendation, Sport Mode, Dynamic Torque Vectoring, Trailer Stability Assist (combined with the tow bar) and Hill Descent Control (with All Wheel Drive only) | Traction Control (TC) including Corner Traction Control with Torque Vectoring | Spin Control including Engine Drag Control.

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians and large animals (active up to a speed difference of 50 km/h, day and night), including automatic steering assistance (Steer Assist system active between 50 and 100 km/h) and active braking intervention

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Run-off Road Protection: protection if the vehicle leaves the road, with path correction (Run-off Road Mitigation), including energy-absorbing front seat cushions

Front airbags, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Power-operated child safety lock on rear doors

Isofix anchorages for the outer positions of the rear seat

Front passenger airbag cut-off switch

DRIVER ASSISTANCE

Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds

Rear Park Assist Camera

Rear Park Assist with auto brake function

Cruise control (not with Adaptive cruise control)

Advanced Driver Assist System (ADAS) sensor platform

Intelligent Speed Assist (ISA)

Road Sign Information (RSI): display of road sign information

Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

Drive Modes: up to 4 modes (Comfort for mild hybrids and Hybrid/Pure/AWD/Power for plug-in hybrids) with different parameters for the use of the combustion and/or electrical engine, throttle response, automatic gearbox, start/stop function, optional all-wheel drive, assisted steering, brakes, climate control and optional adaptive cruise control

MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two display modes: Calm and Navi

9" center display with touchscreen to control most of the functions

Google infotainment system with:

- Google Maps: navigation and public charging stations locator

- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices

- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Remote functions via the Volvo Cars app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure

- (un)lock your car

- localize your car

- access to the Driving Journal

- plan and check the status of your electric charging session

Apple CarPlay® and Android Auto®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Wireless charging for smartphone in the central tunnel (electromagnetic induction technology only) (not on T6/T8 AWD)

High Performance audio system with RDS radio, Internet radio, 10 speakers (4 tweeters, 2 mid-range and 4 woofers) and 220 W amplifier

DAB+ (Digital Audio Broadcasting)

4 USB-C connections: 2 in the central console and 2 at the rear of the tunnel console

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into steering wheel for driver display, cruise control, audio, telephone, navigation system and voice commands

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 3 years subscription included

BASE DESIGN

ESSENTIAL STANDARD EQUIPMENT

PERSONAL SAFETY AND CONVENIENCE

Keyless Start: starts the engine without a key

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

External and internal approach lighting, turned on when the vehicle is unlocked

Follow Me Home safety lighting

Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision

Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof

Immobiliser

Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)

Tyre repair kit

CLIMATE CONTROL

Two-zone electric automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter

Pre-ventilation and post-climatisation function for the interior of the vehicle when the engine is switched off

IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter

Front and rear wipers blades with integrated washers ("AquaBlades")

Rain sensor with adjustable sensitivity level

VERSATILITY

Ticket holder on driver's side of the windscreen

Flat load floor with rear seat backrest folded down

Luggage cover with load position function

Storage space beneath luggage compartment floor, with cargo dividers

Four folding load retainer eyelets in luggage compartment

Aluminium load sill protection

INTERIOR

Front lumbar support electrically adjustable in 2 directions, electrically operated height adjustment and with adjustable seat cushion tilt angle

City Weave textile upholstery

Rear seat with folding two-split 60/40 backrest and central armrest with load hatch for long objects

Folding rear head restraints

Aluminium front door sill moulding with Volvo logo

Textile floor mats at front and rear

Interior lighting Plus, including dimmed lighting at front and floor lights at front

Illuminated vanity mirrors at front

Height- and depth-adjustable steering wheel with Silk Metal inlay

Inner rear-view mirror without trim with automatic dimming

Active Noise Control with EOE (Engine Order Enhancement) (only on mild hybrid petrol engines)

EXTERIOR

LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and automatic headlights

LED rear lights

17" wheels (mild hybrids)

18" wheels (plug-in hybrids)

Dynamic chassis

Power retractable, heated outer rear-view mirrors with colour coordinated cap and integrated LED indicator

Roof spoiler

T6/T8 AWD PLUG-IN HYBRIDS ADDITIONAL STANDARD EQUIPMENT

PLUG-IN HYBRID

Preconditioning to cool/heat the cabin to comfort temperature

Predictive Efficiency: function that optimises the use of the electric engine and the battery capacity based on the destination entered

One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal

Acoustic Vehicle Alerting System (AVAS) at slow speed

Glossy black finish of the tunnel console

Air-ventilated subwoofer

Active Noise Control with EOE (Engine Order Enhancement) and EOR (Engine Order Reduction)

10A charging cable with Schuko socket (for domestic use), length 7 m

T6 AWD or T8 AWD emblem at rear

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

Length x width x height (empty) on B4	477,8 x 185,0 x 143,7 cm
Length x width x height (empty) on T6/T8 AWD	477,8 x 185,0 x 143,0 cm
Wheelbase	287,2 cm
Front track with 17" / 18"-19" / 20"	160,3 / 160,0 / 159,3 cm
Rear track with 17" / 18"-19" / 20"	160,3 / 160,0 / 159,3 cm
Turning circle between curbs with 17" / 18"-19" / 20"	11,0 / 11,3 / 11,7 m
Ground clearance (driver included) / Forging depth on B4	14,2 / 25,0 cm
Ground clearance (driver included) / Forging depth on T6/T8 AWD	13,8 / 25,0 cm

INTERIOR

Headroom with sunroof front/rear	94,9 cm / 96,7 cm
Headroom without sunroof front/rear	97,6 cm / 96,6 cm
Shoulder room front/rear	142,5 / 138,4 cm
Leg room front/rear	107,4 / 89,5 cm
Min./max. length luggage compartment rear seats-tailgate	81,5 / 103,3 cm
Min./max. length luggage compartment front seats-tailgate	169,4 / 182,1 cm
Height luggage compartment	73,1 cm
Lifting height	61,1 cm
Width luggage compartment between wheel arches	103,8 cm
Min./Max. width tailgate opening	88,8 / 111,0 cm

* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6d) emissions standard), a more realistic procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO₂ emissions from the car in practice. The CO₂ emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

ENGINE	B4
Engine code	B420T5 (K8)
Engine type	Mild hybrid petrol
Electric engine battery	Lithium-ion 48V
Battery energy capacity (nominal) kWh	0,4
Battery energy capacity (usable) kWh	-
Max. capacity petrol hp/kW/rpm	197/145/4.750-5.250
Max. capacity electric hp/kW/rpm	14/10/3.300
Max. capacity combined hp/kW	197/145
Max. torque petrol Nm/rpm	300/1.500-4.500
Max. torque electric Nm/rpm	30/2.250
Cylinders/valves/taxable horsepower	4 cylinder line/16/11
Supercharge	Turbo & 48V starter/generator
Cubic capacity (cc)	1.969
Bore & stroke (mm)	82 x 93,2
Compression ratio	12,0:1
Emissions standard	EURO 6e bis
TRANSMISSION	
Motricity	Front wheel drive
Gearbox	Automatic with double clutch 7-speed
PERFORMANCES	
Acceleration 0-100 km/h (sec)	7,6
Top speed (km/h)	180
PLUG-IN HYBRID	
On-board charger (kW)	-
Charge time 0-100% (16A/10A) 230V (hours)	-
EMISSIONS AND CONSUMPTION ACCORDING TO WLTP *	
Fuel consumption (combined) l/100 km	6,2 - 6,9
Electric power consumption (combined) kWh/100km	-
Electric range (combined) km	-
CO ₂ emissions (combined) g/km	140 - 156
WEIGHTS AND MEASURES	
Min. curb weight (kg)	1.664
Running order weight (kg)	1.734
Max. total weight (kg)	2.240
Max. braked / unbraked trailer (kg)	1.800 / 750
Max. roof load capacity (kg)	75
Largest load volume with bench seat back folded down ISO V214-1 (incl. V209) (liters)	1.431
Load compartment volume ISO V214-2 (incl. V209) (liters)	648
Load compartment volume under luggage cover ISO V211-2 (incl. V209) (liters)	519
Volume under load compartment floor (with / without spare wheel) ISO V209 (liters)	6 / 23
Fuel tank capacity (litres)	60

**SPECIFIC WARRANTY
VOLVO PLUG-IN HYBRID:**

426V batterie warranty: the batteries undergo normal wear depending on age and use. If the battery capacity falls below 65% of the original state within 5 years or 100.000 km (whichever is reached first) and below 55% between 5-8 years or 100.000-160.000 km (whichever is reached first), the battery will be replaced under guarantee.

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO₂ emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
