**Vehicles destined for EEA.** The models listed above are destined for the European Economic Area ("EEA") market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

**Export of vehicles.** Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

**(1) Prices.** A delivery fee of 250 EUR (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo XC90 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO<sub>2</sub> emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. Owing to the more realistic test conditions, the fuel consumption and CO<sub>2</sub> emissions measured in accordance with the WLTP are in many cases higher than those measured using the NEDC.

XC90 Core equipment.	Bright	0,00	0	0	S	S

S = Standard

#### SAFETY

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Understeer Control Logic, Advanced Stability Control, Roll Stability Control, Driver Steering Recommendation, Sport Mode, Dynamic Torque Vectoring, Trailer Stability Assist (combined with the tow bar) and Hill Descent Control (with All Wheel Drive only) | Traction Control (TC) including Corner Traction Control with Torque Vectoring | Spin Control including Engine Drag Control.

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians and large animals (active up to a speed difference of 50 km/h, day and night), including automatic steering assistance (Steer Assist system active between 50 and 100 km/h) and active braking intervention

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Automatic unlocking after a collision

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Run-off Road Protection: protection if the vehicle leaves the road, with steering correction (Run-off Road Mitigation), including energy-absorbing front seat cushions

Frontal airbags including driver knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Isofix anchorages for the outer positions of the rear seat

Power-operated child safety lock on rear doors

Front passenger airbag cut-off switch

#### DRIVER ASSISTANCE

Driver Assistance with:

- Adaptive Cruise Control: can help you keep a certain distance with the vehicle in front at all speeds
- Pilot Assist: enables empowered driving on motorways and roads with side ground marking up to a speed of 130 km/h
- Emergency Stop Assist: can bring the vehicle to a complete stop in lane in situations where the driver is not responding to hands-off warnings

Driver Awareness with:

- BLIS (Blind Spot Information System with steering assistance)
- Rear Collision Warning with automatic emergency braking
- Cross Traffic Alert: detection of vehicles coming from the side when reversing

Front Park Assist

Rear Park Assist with auto brake function

Rear Park Assist Camera

Advanced Driver Assist System (ADAS) sensor platform

Intelligent Speed Assist (ISA)

Road Sign Information (RSI): display of road sign information with excess speed warning

Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

Drive Modes: up to 5 modes (Comfort/Offroad for mild hybrids and Hybrid/Pure/Offroad/AWD/Power for plug-in hybrids) with different parameters for the use of the combustion and/or electrical engine, throttle response, automatic gearbox, start/stop function, optional all-wheel drive, assisted steering, brakes, climate control and adaptive cruise control

#### MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two display modes : Calm and Navi

11,2" center display with touchscreen to control most of the functions

Google infotainment system with :

- Google Maps: navigation and public charging stations locator
- Google Assistant: voice assistant via "Hey Google" to control certain car functions, navigation, your smartphone, media, search for online information or control certain connected devices
- Google Play Store: access to a catalog of in-car apps to download and use in the car (such as Spotify®, Waze®, Amazon Prime Video® and YouTube®)

4-year data subscription for use of Google services and all apps. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Remote functions via the Volvo Cars app on your smartphone, such as:

- launch and plan the preconditioning to cool/heat the cabin to comfort temperature and optimize your battery before departure
- (un)lock your car
- localize your car
- access to the Driving Journal
- plan and check the status of your electric charging session

Apple CarPlay®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Wireless charging for smartphone in the central tunnel (up to 15W through electromagnetic induction technology)

High Performance audio system with RDS radio, Internet radio, 10 speakers (4 tweeters, 2 mid-range and 4 woofers) and 220 W amplifier

DAB+ (Digital Audio Broadcasting)

4 USB-C connections: 2 in the central console and 2 at the rear of the tunnel console

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into steering wheel for driver display, cruise control, audio, telephone, navigation system and voice commands

Integrated "SOS" button for assistance in life-threatening emergencies

Integrated "On Call" button for roadside assistance

Volvo Assistance | 3 years subscription included

#### PERSONAL SAFETY AND CONVENIENCE

Keyless Entry: passive (un)locking, hands-free opening/closing of tailgate (foot movement under the rear bumper), LED entry lighting integrated in the door handles

Keyless Start: starts the engine without a key

### BRIGHT DESIGN

---

## CORE STANDARD EQUIPMENT

---

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions  
External and internal approach lighting, turned on when the vehicle is unlocked  
Follow Me Home safety lighting  
Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision  
Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof  
Immobiliser  
Volvo Guard alarm with movement and inclination sensor  
Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)  
Tyre repair kit

### CLIMATE CONTROL

Two-zone electric automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter  
Pre-ventilation and post-air conditioning inside the vehicle when the engine is off  
CleanZone: it monitors incoming air and shuts the cabin's air intakes if harmful substances are detected.  
Heated front seats  
Front windscreen wiper blades with integrated washers  
Rain sensor with adjustable sensitivity level

### VERSATILITY

Storage nets in backrest of front seats  
Flat load floor with rear seat backrest folded down  
Power-operated tailgate  
Luggage cover with load position function  
Nylon safety net between the back seats and the luggage compartment  
12 V power outlet in the luggage compartment  
Storage space beneath luggage compartment floor  
Grocery bag holder with elastic strap (hidden in the floor)  
Storage space beneath luggage compartment floor, with cargo dividers  
Four folding load retainer eyelets in luggage compartment  
Aluminium load sill protection

### INTERIOR

Seven seater  
Nordico upholstery  
Upper part of the dashboard and door panels at front and rear covered in simili-leather  
Power-operated front passenger seat  
Power-operated driver seat with memory function for seat position and outer rear-view mirrors position (incl. automatic angling during parking)  
Power-operated two-way lumbar support in front seats  
Power folding rear head restraints  
Child booster cushion integrated into central position in the second row  
Rear seats (second row) with individual length adjustment, with folding head restraints and folding three-split 40/20/40 backrest  
Third row with folding head restraints and manual folding backrest and entry function for outer positions of the second row  
Storage space, cup holder and load hatch for long objects in the rear central armrest (second row)  
Storage space and cup holder in the rear side armrest (third row)  
Aluminium illuminated door sill moulding with Volvo logo at front and rear  
Textile floor mats at front and rear (second row)  
Interior lighting Pro (very generous amount of interior lighting including dimmed lighting at front and rear)  
Interior rear-view mirror without trim, with automatic anti-glare function  
12 V power outlet at front of the tunnel console

### EXTERIOR

LED headlights with matrix design:  
- identify oncoming road users and adjust the light pattern with high precision to give you the best possible light without blinding others.  
- when you approach the car, the headlights can create an inviting light sequence.  
20" alloy wheels with tyres 275/45 R20  
Touring comfort chassis  
Power retractable, heated outer rear-view mirrors with automatic dimming and integrated LED indicator

---

## T8 AWD PLUG-IN HYBRID ADDITIONAL STANDARD EQUIPMENT

---

### PLUG-IN HYBRID

Preconditioning to cool/heat the cabin to comfort temperature  
Four-zone electronic automatic climate control system with additional air vents at the rear of the tunnel console  
Additional, separate climate control for the third row with air vents at the rear  
One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal  
Predictive Efficiency: function that optimises the use of the electric engine and the battery capacity based on the destination entered  
Acoustic Vehicle Alerting System (AVAS) at slow speed  
Active Noise Control with EOE (Engine Order Enhancement) and EOR (Engine Order Reduction)  
10A charging cable with Schuko socket (for domestic use), length 7 m  
T8 AWD emblem at rear

## EXTENDED SERVICES

### VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

#### GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

#### VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

#### USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

Height luggage compartment	88,9 cm
Lifting height	78,2 cm
Width luggage compartment between wheel arches	113,0 cm
Min./Max. width tailgate opening	98,6 / 119,2 cm

\* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6e) emissions standard), a more realistic procedure for measuring the fuel consumption and CO<sub>2</sub> emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO<sub>2</sub> emissions from the car in practice. The CO<sub>2</sub> emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

**SPECIFIC WARRANTY VOLVO PLUG-IN HYBRID:**

426V batterie warranty: the batteries undergo normal wear depending on age and use. If the battery capacity falls below 65% of the original state within 5 years or 100.000 km (whichever is reached first) and below 55% between 5-8 years or 100.000-160.000 km (whichever is reached first), the battery will be replaced under guarantee.

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO<sub>2</sub> emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 17% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Environmental contribution included.

A 4-year data subscription for use of Google services and all apps is included in the retail price of the car. After that period, a paid extension of the data subscription will be available or you can share your data via your smartphone.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
