The Plan provides for the replacement of wheels when or if the wheel cannot be balanced, will not hold air, or the damage has affected the structural integrity of the wheel. Any tire and/or wheel failure caused by accidents, theft, vandalism, misuse, negligence, abnormal wear and tear are not covered.

Cosmetic wheel damage is limited to alloy or steel wheels and is limited to factory wheels. Wheel/rim re-manufacturing or replacement available only if the damage is too severe and, if upon inspection, the structural integrity of the wheel/rim has been jeopardized.

Paintless Dent Removal Coverage provides coverage for unlimited removal of certain dents and creases from the covered vehicle. Each repair covers the removal of any dents and creases that do not exceed 3.35" x 2" within an area located on a single panel of the covered vehicle. It does not cover any area of the vehicle made of composite materials (e.g., bumper).

Coverage is also inclusive of the calibration to the ADAS (Advanced Driver Assistance System). Maximum lifetime aggregate windshield benefit is \$5,000.

The Coverages described are not insurance policies. The purchase of any Plan is optional, cancelable, transferable to another owner but not to another vehicle and is not required in order to lease or obtain financing.
